

## **PRIVACY AGREEMENT**

This Privacy Agreement ("Agreement") is made and entered into by and between Kynios Pty. Ltd. ("Kynios"), a company registered in Australia, and the company or organisation that is the end user of Kynios's software ("End User"). This Agreement sets out Kynios's privacy practices with respect to the collection, use, and disclosure of personal information in connection with the Software.

### **Scope of Agreement**

This Agreement applies to all personal and/or company information collected by Kynios through the Software, regardless of the location of the End User. By accessing or using the Software, the End User agrees to be bound by the terms and conditions of this Agreement.

### **Collection of Personal Information**

Kynios may collect personal and/or company information from the End User in connection with the use of the Software. This may include, but is not limited to, the End User's name, email address, phone number, and any other information that may be necessary to provide the Software.

### **Use of Personal or Company Information**

Kynios may use personal and/or company information collected from the End User to provide and improve the Software, to communicate with the End User, and to respond to inquiries and requests from the End User. Kynios may also use personal information for research and statistical purposes, to improve the quality of the Software, and to develop new products and services.

### **Disclosure of Personal or Company Information**

Kynios may disclose personal and/or company information to third parties as necessary to provide the Software or to comply with applicable laws and regulations. Kynios will not disclose personal information to third parties for marketing purposes without the End User's consent.

### **Security of Personal or Company Information**

Kynios takes reasonable measures to protect the security of personal and/or company information collected through the Software. However, Kynios cannot guarantee that the information will not be accessed, disclosed, altered, or destroyed by breach of any of Kynios' physical, technical, or managerial safeguards.

### **Access to and Correction of Personal or Company Information**

The End User may access, correct, or update personal information collected by Kynios through the Software by contacting Kynios in writing. Kynios will take reasonable steps to correct or update the information within a reasonable time.

### **Changes to this Agreement**

Kynios may change this Agreement from time to time by posting the updated Agreement on its website. The End User's continued use of the Software after any such changes constitutes acceptance of the updated Agreement.

### **Contact Information**

If the End User has any questions or concerns about this Agreement or Kynios' privacy practices, please contact Kynios by email: [info@kynios.com](mailto:info@kynios.com)

By accepting this Agreement, the End User represents and warrants that it is a company or organisation with the legal capacity to enter into this Agreement.
